PRINCIPAL REPORT

In our front office is a box for collection of Coles shopping dockets for the duration of the "Sports Equipment" promotion. Whilst our school supports our local supermarkets we know people are collecting these dockets, so we ask you to send them in and Mr Boreland will send them off for some new equipment.

The Year 7 class is off on camp next week with Mr Bradley and Miss Keding. Their itinerary looks fantastic and I know they will have a good time. This camp is part of the transition program we run for our Year 7's.

The Clontarf students were at school today and it was a great game of footy. After the football game against our students, they read to the Pre-primary students. This is a beneficial activity for both groups of students.

Contribution and Charges letters for Kindy-Yr 10 are being sent home today. Yr 11-12 Contribution & Charges will be sent home on Tuesday next week. Thank you to those parent who have already paid their school contributions.

Thank you to the Kalbarri Palm Resort for once again allowing us to use their pool for swimming lessons.

SECONDARY DEPUTY PRINCIPAL REPORT

Already into Week 4 and Term 1 is flying by. Thank you to all the parents and carers who attended the secondary information sessions and we hope it was a valuable opportunity for you to meet the teachers and ask questions. In Week 6 we will be conducting the Parent Interview Meetings on Wednesday March 7 from 3.00 – 5.00pm. A note has been sent home with your child with information in regard to this event. This is a great opportunity for you to meet with teachers and discuss your child’s learning. We also encourage students to attend so that they may continue to take ownership of their learning.

Next week the Year 7 students will be going on a camp to Perth with Mr Bradley and Miss Keding. We view this as very important in the transition of our Year 7 students into secondary school. It will focus on team building activities and developing maturity and responsibility.

We have been very pleased with the start to this year and there is a great tone throughout the secondary school. We have had an excellent response from our students in regard to the Student Council and we are very happy to have plenty of senior students involved.
