## MATHLETICS REPORT

This week saw students break through the 1000th activity in Mathletics this year. We get to celebrate the students that pushed ahead to earn 1000 points or more. A bronze certificate is earned by reaching 1000 points, while a silver is earned for every 5th bronze and the gold for every 10th bronze. This week eleven students gained our extra respect for going that extra distance. Well done to Year 1: Jesse McK. Year 2: The champion Kai F. (2580 points), Claire C., Jessy M., Clain P., Grace T., Billy B. (silver), Madison P. Year 3: Dylan McK. Year 5 Erica B. and Isabella McD.

By the way, Mathletics students now have access the Multiverse, a game of multiplication practice. Just finish those set tasks and make your way to the game section. World Maths Day is soon approaching (March 7th).
