

## Be Excited

We have lots of fun every day.  
Playing, painting, reading,  
building, cooking and singing.

With our friends we will  
explore, laugh, create, and  
discover a real love of  
learning.

## Be Prepared

Arrange times when your child is  
not with you (play dates).

Make sure your child can use the  
toilet independently.

Dress your child in clothes they  
can manage themselves (elastic  
waist, Velcro etc).

Teach your child to wash their  
hands and blow their nose.

## Be Ready

Practice a good nightly  
routine and regular bed time.

Start practicing a morning  
routine of a great breakfast  
and getting ready for the day.

Read to your child every day,  
talk to them about the story to  
get them excited about the  
reading process

Regularly count every day objects  
with your child (groceries, things you  
pass when driving).

Play eye spy, hide and seek , snap,  
family board games.

Engage them in conversation and  
**play, play, PLAY.**
